## ELEMENTARY SCHOOL

Kerry Dwight - Principal

February 26, 2015

To Whom It May Concern,

I am pleased to write a recommendation for Kevin. I've had the opportunity to observe and work with Kevin in my role as a behavior consultant in his job as a P.E. and health teacher at Douglas High and as a substitute principal at Brockway Elementary, a K-3 school in Winston-Dillard School District.

At Douglas High Kevin displayed an excellent ability to relate to all students, especially the behaviorally or academically challenged. He is always willing to make the extra effort and reach out to a struggling student.

As a substitute principal I worked more closely with Kevin. I observed a quick learning curve in grasping the working relationships between principal/student/teacher/parent. He displays a natural ability to focus on the important information in any conflicts and provide direction and leadership for all involved.

I am particularly impressed with Kevin's desire to take on the obviously challenging students and quickly form relationships that would allow him to have an impact.

Kevin's ability in relating to staff was noticeably positive. He is aware of his temporary role but was able to have a positive impact in the moment.

I have no hesitancy in recommending Kevin in any educational administrative role. I would be pleased to work with him and would clearly see Kevin as a significant asset to a positive educational environment.

Sincerely,

Jerry Moneke MSW
