Rob Boyé, Principal  
Jon Martz, Vice Principal

November 10, 2014

To Whom It May Concern,

Kevin Wilson has asked me to write a letter of recommendation, and it's without hesitation that I comply with his request. Kevin is in pursuit of a building level administration position. Kevin is a career educator that has distinguished himself from his peers by excelling at Douglas High School. I have known Kevin for two years as his direct supervisor. Kevin has quickly emerged to be one of our most dynamic and committed teachers on staff. He currently teaches Physical Education and Health at Douglas High School. Through varied observations, I have found that Kevin has created an environment in his classroom where students are comfortable and willing to put forth their best effort.

Kevin is an active participant on our safety committee and site council. During the last two years I have learned to regard Kevin as an innovative, strong leader who always bases his decisions on what is best for our students at Douglas High School. With the State of Oregon inundating K-12 learning with many educational transitions, Kevin's knowledge and experience will be a strong contributor to this evolving process. Above all, Kevin is a good and decent person. He is driven to do the things that need to be done based on a high moral purpose. Without that, nothing else really matters.

Kevin also supervises many athletic events at Douglas High School. He is one of our most respected varsity coaches on staff. This is because he carries his classroom expectations into the extracurricular environments he is working within. Lastly, Kevin serves as the acting administrator in different district buildings if the Principal is not present.

Kevin will do a great job as a school leader; if you have further questions, please don't hesitate to contact me.

Sincerely,

Jon Martz  
Assistant Principal/Athletic Director
