Kerry Dwight - Principal

Dear Hiring Committee:

I have had the distinct pleasure of knowing and working with Kevin Wilson for the last 8 years. Mr. Wilson is proven in his field as a physical education and health teacher and possesses all the qualities necessary to become a successful administrator. Mr. Wilson's drive to enhance the overall student experience in public school has been well evidenced and greatly appreciated.

Mr. Wilson's commitment to promoting positive and productive relationships among students and staff sets him apart. Mr. Wilson is cognizant of the distinct differences among people. He works hard to bring diverse groups together through commonality and then provides them with the opportunity to celebrate their differences.

Over the past two years, Mr. Wilson has spent time as the interim principal at Brockway Elementary. He quickly stepped in and began building relationships with staff and students, as he was unfamiliar in the building. Being in this position has allowed Mr. Wilson to develop administrative routines and consistent discipline practices. He understands the time constraints of the position and what he needs to do to ensure that all tasks get accomplished for the day. This experience has led Mr. Wilson to look at the overall picture of the school when making decisions.

Mr. Wilson approaches discipline proactively. He has a firm grasp of the principles needed to elicit positive productive behavior from students and staff. Mr. Wilson has experience in the special education process, including; SST, planning, placement, and manifestation. He also has gained experience dealing with staff when he was asked to step in and mediate a very dramatic situation between two employees. Mr. Wilson aims to be a resource that students, staff, and community members can trust to do the right thing.

I have worked with Mr. Wilson for many years and I have watched as Mr. Wilson continues to refine his skills as an educational leader. Mr. Wilson has proven himself to me that he will be a great educational leader and he would be my first choice if given the opportunity. It is with great pleasure that I recommend Mr. Kevin Wilson for an administrative position within your school.
