Hello,

I am writing this letter to introduce you to Mr. Kevin Wilson. I have had the pleasure of working with Kevin for over six years. I have also served as his mentor administrator for his initial administrator licensure program. Kevin has done an exemplary job working his program and I have no doubt he will be successful in the next phase of his career.

Mr. Wilson has been our district's first choice as a substitute administrator whenever supervision is needed at any of our schools. This has afforded him many diverse experiences at many grade levels. He has risen to every challenge and provided much needed leadership in all circumstances.

Mr. Wilson has shown good judgment and wise decision making while dealing with our high school students especially. His experience as a teacher and coach have prepared him well to work with students and families toward success. He has an easy and thoughtful manner that serves him well when interacting with the public. He has always put forth a very professional demeanor.

It is without hesitation that I recommend Kevin Wilson as an administrator to any district or school lucky enough to have him as a candidate. If you would like any more information about Kevin, you can reach me at the number below.

Sincerely,

Rob Boyé
